

Form #2: Look to the Future: Build a Plan for Success

Review form #1. Develop a plan of action to address the concerns you selected. Try to be specific and address *each* concern you marked and circled. Think of concrete ways you can address each concern. If you are unsure how to address a concern, make a note below and ask your advisor for assistance during your appointment.

In referring to the plan of action created above, list 3 academic goals.

- 1.
- 2.
- 3.

What steps will you take to reach your academic goals?

What resources can you utilize to help you reach these goals?
