This planning form is to be used in consultation with your academic advisor; the University Catalog is the official reference for program information, along with your degree evaluation.

Transfer students from Virginia community colleges:

Transfer students holding an AA, AS or AA&S degree from a VCCS school that has a Guaranteed Admissions Agreement (GAA) with Mason may be eligible for a waiver from all University-wide Mason Core and CHSS general requirements EXCEPT for English 302, foreign language, and Synthesis (but Synthesis will be completed with HIST 300/499). Qualifying for this waiver requires a specific minimum GPA at the community college as well as some specific coursework and application by the GAA deadline. If you think you qualify for the waiver, check your Mason transcript and degree evaluation to make sure the VCCS degree and the waiver are reflected in these records; if not, contact the admissions office at Mason IMMEDIATELY - all transfer credit and/or waiver should be finalized within one year of enrollment.
