This 4 –year plan is an EXAMPLE for Arabic majors. Students are strongly encouraged to meet with their academic advisor at least once per semester. Students are also encouraged to keep in mind the following:

- You need a C or better in each course in order for it to count for your major;
- Students in the Arabic concentration are required to take a capstone course (ARAB 351, 420);
- You need 120 credits for your B.A. degree, with 45 upper-division credits and **30 required credits** for your Arabic concentration;
- Students in *Foreign Languages* are encouraged to minor in a complementary subject during their time at GMU;
- While study abroad is not required, it is highly recommended.
