Transfer students from Virginia community colleges:

Transfer students holding an AA, AS or AA&S degree from a VCCS school that has a Guaranteed Admissions Agreement (GAA) with Mason may be eligible for a waiver that releases a student from all University-wide Mason Core and CHSS general requirements EXCEPT for English 302, foreign language (if not previously completed), and Synthesis (but Synthesis will be completed with ARTH 394).

Qualifying for this waiver requires a specific minimum GPA at the community college as well as some specific coursework and application by the GAA deadline. If you think you qualify for the waiver, check your Mason transcript and degree evaluation to make sure the VCCS degree and the waiver are reflected in these records; if not, contact the Admissions Office at Mason IMMEDIATELY.
