Coursework in psychology can enhance many different majors, and the minor in psychology is available to students in any major at Mason. For a list of suggested courses for students who are majoring in specific disciplines that interact especially well with psychology, contact the Undergraduate Psychology Office (<http://psychology.gmu.edu/contact>).

Admissions & Policies

Policies

Eight credits of coursework must be unique to the minor and students must complete all coursework with a minimum GPA of 2.00. For policies governing all minors, see AP5.3.4 Minors.

Requirements

Minor Requirements

Total credits: 18

Students should be aware of the specific policies associated with this program, located on the Admissions & Policies tab.
